

Regional Profile 2017-18

Gold Coast

The region is enjoying a period of strong growth, which is set to be maintained over the coming years. This will ensure a reasonably tight labour market, but we do not expect to see significant shortages of workers.

2.2%

average annual population growth

582,200

population

6.8%

unemployment rate

36,200

construction workers

2,600

apprentices
